Keller Group is a leading resource for office and public space furnishings when businesses and organizations seek to improve the aesthetics and function of their office. With two comprehensive showrooms, Sacramento and Modesto, the Keller team is able to demonstrate solutions while working with clients on their specific needs. Services include design and planning, furniture specification, project management and installation. With a strong dedication to customer satisfaction Keller Group has garnered an extensive list of prominent clients in all sectors of the regional economy, including Education, Government, Healthcare and the Private Sector. This includes 23 counties and the State of California. Keller Group has highly skilled team of women who are industry veterans. From accounting through design, client services and project management women are at the core of the operation. Dianne Keller, (Co-Owner) is Director of Planning and Development overseeing the design department, showroom presentation and branding. Since joining Keller Group in 2001, Dianne has spearheaded an evolution of the Company giving it a stronger presence with regard to design, presentation and image. Everyone at Keller Group is committed to the client, providing the attention to detail and the extra effort required for a highly successful result. This family business enjoys a high level of long-term employee retention.
