LaMia™

Designed by Italy's Angelo Pinaffo, the LaMia™ performs as a contemporary designed, high density stack chair at a great value. Featuring a cool perforated polypropylene back, with both seat and back easily removable, plus stacking capability of up to twenty, this chair is the perfect blend of style, durability, and function. The LaMia chair is available with optional ganging mechanisms and armrests, and comes in 7 colors: Black, White, Dolphin, Whisper Blue, Pesto, Vermillion*, and Electric Lime*. Upholstered seats and backs are also available.

**Vermillion and Electric Lime are non-standard and will require extended lead time and quantity minimums.*
