TRANSFER It helps you get your ideas moving.

It's spontaneous. Easy to pull up to your chair. And easy to move out of the way. The Transfer table is there where and when you need it, creating an instant worksurface to hold your computer or tablet, spread out your papers, or serve the breakfast bagels. The unique, slender base design allows you to pull the table close while leaving room to tuck your feet comfortably underneath.

Available in two top shapes in either laminate or ShetkaStone™ with a painted or polished base, it complements your work as well as your work area aesthetic.
