

Learn2™ Seating

Available
March
2012

Mobile, adaptable seating that fits student needs and preferences for collaborative and interactive learning environments.

adept

- Adept move-ability – facilitates individual work or small to large group teaming.

flexible

- Ultimate flexibility - fully adjustable, non-handed worksurface and a swivel seat.

student-focused

- Student focused - adapts to each student's personal space and provides customized comfort. Optional accessory storage is easy to access on both the left and right.

Learn2™ Seating

Available
