AMBIENT

Ideally suited within a wide range of environments, the Ambient guest and tandem seating collection brings harmony and sophistication to any setting. Shapely arm detail, tapered leg design and a riveting silhouette are but a few examples of the indelible charm that surrounds it.

#### PRODUCT SPECIFICATIONS

Single, 2, 3 and 4 seat tandem models available with partial or closed back as well as open or upholstered panel arms. All standard and custom wood finishes available on Beech.

Unique arm design flares out from the back, tapers to a streamlined front and features recessed underside detail. Elegantly contoured leg as well as arched seat and back add distinctive appeal.

Optional intermediate, corner and end tables for tandem configurations are Maple veneer with Maple wood edge. All standard and custom wood finishes available on Maple. Accompanying occasional tables available.
