

DEMURE

Bedside Table

Design: Fredricks Design, LLC

PATRICIAN

DEMURE

Create a tranquil atmosphere with a soothing glow to heal the mind and body.

Bedside Table

Demure is designed with aluminum extrusions to provide a strong, impact resistant structure.

Model No. 39704
Four Drawer Bedside Table with optional Acrylic Side Panels and LED Backlit.

Elegantly integrated vertical, customizable panels feature optional digital images backlit to provide a warm, soothing glow.

Safety interlock system allows one drawer to open at a time to prevent tipping.

Casegood collection is standard with WilsonArt laminate contoured panel for impact resistance.

Top formed with perimeter spill channel.

Model No. 39704
Four Drawer Bedside Table

Bedside Table Features and Specifications

Demure incorporates intriguing, serene visuals, balanced with resilient contoured surface materials to articulate refined possibilities. Together these elements inspire a calming and nurturing healthcare environment. The soothing glow of the energy efficient, LED lighting ensures a more relaxed healing process.

The bedside table provides a functional storage solution in patient areas with the option to select from two, three or four drawer units.

Construction and materials are all medical grade to withstand chemical cleaning agents and promote a healthier environment.

Endless product variations create a custom tailored, designer experience that allows the selection of many, beautiful surface materials.

Options

Demure integrates the ability to design distinct individuality through product variation, creating one solution for multiple applications.

Choose attractive laminates from WilsonArt standard patterns and colorways.
