Guest Center

Guest Center Features & Specifications

Meet the needs of any healthcare environment with the Demure Guest Center. Choose from a single base unit with desk, two panel or three panel system for a work area requiring minimal space. Add customized panels for a more personal touch to the healing process.

The visually stunning arched top and bottom panel recesses create a calming environment.

Complements the Demure Casegoods line as an off-the-floor alternative to standard bedside tables.

The top and bottom lighting radiantly accentuate the panels and provide illumination for graphics and announcements, while the reading light provides additional illumination without disturbing others in the room.

The flip down front storage panel enables easy storage for small items.

Side power supply allows the use and charging of electronic devices.

Wall mounting makes floor cleaning easy.

Options

Demure integrates the ability to design distinct individuality through product variation, creating one solution for multiple applications.

Choose attractive laminates from WilsonArt standard patterns and colorways.

Additional Specifications:

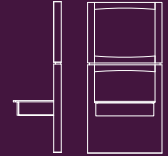

- Top and bottom lighting
- Reading light
- Glass top
- Panels for customization
- Side power supply
