Furniture with Personality

If rebellion is about the confidence to go anywhere, then meet the latest rebel in collaborative, yet personalized space, Renegade.

Assembled. Easy to order and ready for installation.

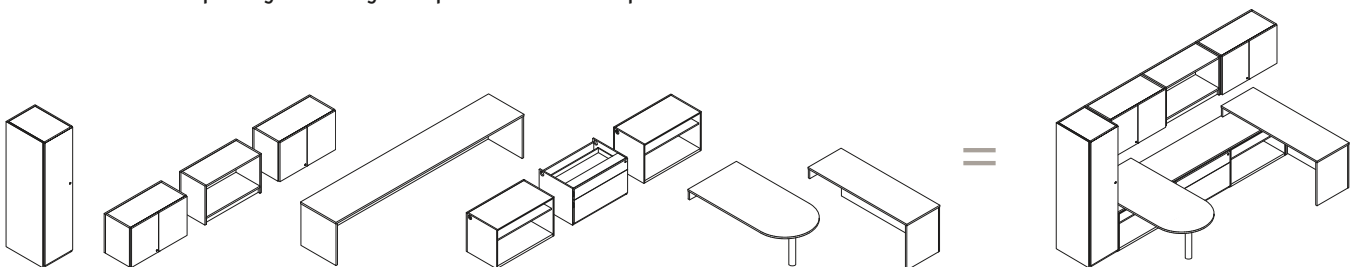

Today's workplace is ever evolving. Yesterday's private office now houses multiple people performing wildly different job functions. The odd-shaped mail room is now a manager's new, "custom" office. From the standard office to open plan and mobile workforces to teaming as well as those areas requiring your creative hat, Renegade thrives in space innovation. This go anywhere and look great laminate casegood series gives durability a new sense of style with mix and match laminate options, layered surfaces and tiered storage. Fully assembled and shell based components create versatility for the way your organization works today and tomorrow with incredible affordability. Not to mention, sustainable attributes such as being certified SCS Indoor Advantage™ and level™ 2 and available with FSC-Certified wood; all which can contribute to LEED® points.
