MYLES Collection

The Agati Myles Collection can attribute its beauty to its simple lines and modest design. Influenced by Arts and Crafts styling, the Myles Collection features solid wood, triple slat detail set against a solid wood frame and panel construction.

Carrels feature three-fourths height end panels and overhead storage shelves. The Myles Collection's clean, unobtrusive design allows collection pieces to blend with their environment and coordinate seamlessly with other Agati Collections.

The Myles Collection includes a large selection of study tables, occasional tables, carrels, atlas and dictionary stands, benches, stools and end panels.
