

THE MODE SERIES

H B F

1259-13 | Mode mid back conference chair 35½OH x 26½OW x 23OD,
all chairs feature a synchronized seat and back mechanism.

Influenced by modern European design, HBF introduces the Mode Series of management and executive seating. Designed by Brian Kane, Mode's sleek, thin profile and polished aluminum wrap-around arm bring a contemporary aesthetic to the conference area and is equally comfortable behind the desk.

The Mode Series

1259-23 | Mode high back executive chair 43½OH x 26½OW x 25OD
upholstered in Equestrian leather 705-20 from HBF Textiles

1259-13 | The Mode Series offers many options for meeting spaces; shown here with a table from HBF's LOGIC *meet* Conference Series

1258-II Mode mid back chair with black urethane arm and black metal base are ideal for heavy use areas, upholstered in Heartfelt 828-89 Charcoal Grey

The continuous wrap-around arm makes an elegant statement for conferencing areas when the chair is viewed from the back. Metal arm and base are standard in polished aluminum.

1259-14 Mode swivel tilt seating is also available with an elegant channel stitching detail
1259-24 High back executive chair with channel stitching detail, upholstered in Vivace 703-35 from HBF Textiles' leather collection
